

## Dampa LED Panel Tailored for Dampa ceiling

DAMPA ceiling is quite common in our daily life.

DAMPA suspended metal ceiling solutions offer more than ordinary ceilings. Through a Form-Follows-Function philosophy, DAMPA ceilings combine features such as acoustics, fire safety, hygiene, climate control and lighting in a beautiful and environmentally friendly design. DAMPA provide a wide range of integration possibilities making it possible to accommodate

the need for comfort in the room while staying true to the intended appearance of architects and designers.

Dampa panel is tailored for this ceiling.
