

LED Premium 25m / 50m

LED Strip Light — 230V AC — 4000K — IP65 — CRI 80+

25 meter — 300W

50 meter — 600W

Features

- SMD2835 Epistar LED, 2 rows of LED chips packed
- IP65 rated, suitable for indoor and outdoor use
- 180 LEDs per meter, 1500 lm/m output
- IP65 waterproof connectors at each end (female & male)
- 1.5 m HO7RN-F rubber cable with EU plug included
- Min. clipping interval: 1 meter
- Max. connectable length: 75 meters
- 30,000 hours lifetime, 3 years warranty
- Operating temperature: -25°C to +55°C
- CE-EMC, CE-LVD, ROHS certified

Color Temperature

4000K

CRI

80+

Material

PVC

Application

Indoor / Outdoor

Wattage per Meter

12W/m

IP Class

IP65

Lumen per Meter

1500 lm/m

Voltage

230V AC

Technical Specifications

LED Strip Light on Cable Reel — 230V AC — 4000K — IP65

General Information

Light source type	LED (SMD2835 Epistar)
LED chips packed	2 rows
LEDs per meter	180 LEDs/m
Color temperature (CCT)	4000K
CRI	80+
Lumen per meter	1500 lm/m
Wattage per meter	12W/m

Operating and Electrical

Input Voltage	230V AC
Material	PVC
Application	Indoor / Outdoor
Operating temperature	-25°C – +55°C
Min. clipping interval	1 meter
Max. connectable	75 meters
Cable	1.5 m 2×1.5 mm² HO7RN-F Rubber + EU Plug
Connectors	IP65 waterproof (female & male)

Variants — 25 meter

Article No.	570205170100
Model No.	IK-FSL-025PS
Length	25 meter
Total wattage	300W
Total lumen output	37,500 lm
Net weight	6 kg

Protection

IP Class	IP65
----------	------

Life Span

Lifetime	30,000 hours
----------	--------------

Dimension

Strip light (W × H)	16 × 8 mm
---------------------	-----------

General

Certificates	CE-EMC, CE-LVD, ROHS
Warranty	3 years

Variants — 50 meter

Article No.	570205170200
Model No.	IK-FSL-050PS
Length	50 meter
Total wattage	600W
Total lumen output	75,000 lm
Net weight	14 kg
